## OFFICIAL

**FLAGS AT HALF STAFF:** The flags of the United States flew at half staff at the Kennedy Space Center on July 7, 2006, in honor of Robert D. Saborido, a Contract Administrator with NASA. Mr. Saborido died on July 1 and his funeral was July 7. A flag of the United States, which had flown over the Kennedy Space Center during Mr. Saborido's career, was presented to his next of kin by NASA management as a token of gratitude for his service to the National Aeronautics and Space Administration. (TA-G)

**UNAUTHORIZED COMMITMENTS AND RATIFICATIONS:** An unauthorized commitment is an agreement between the Government and a contractor that is not binding; solely, because the Government representative who made it lacked the authority to enter into that UNAUTHORIZED agreement on behalf of the Government. Ratification is the act of approving an unauthorized commitment by an official who has the authority to do so. Unauthorized commitments are strongly discouraged and can indicate serious employee misconduct. Individuals making unauthorized commitments may be subject to disciplinary action, and the issue may be referred to the Office of the Inspector General. Only Contracting Officers acting within the limits of their delegated authority are authorized to commit the Government. If you are unsure of your authority, before directing a contractor to take any action, call your project control office, or the Procurement Office at 867-7217, for assistance. (OP-AM)

**INSPECTOR GENERAL:** The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at [www.hq.nasa.gov/office/oig/hq](http://www.hq.nasa.gov/office/oig/hq). (OIG)

**KSC MAIL SERVICES:** Proper mailcodes are essential for all items placed in the inter-office mail system. Failure to use them will delay delivery time. To obtain mailcodes, call 867-4369. It is the responsibility of KSC employees to notify senders from elsewhere of their correct mailcodes. (TA-E1)

**MESSENGER ENVELOPES (STANDARD FORMS 65 B & C) USERS:** All offices are reminded that excess messenger envelopes should be returned to the Forms Warehouse, through the mail and distribution system, for reissue. The appropriate mailcode to use is "Forms Warehouse." (TA-E1)

## **RECYCLING GUIDE:**

### **Mixed Office Paper Recycling**

Place all white and colored bond paper, post-it notes, stapled and paper clipped material, manila and colored file folders, notebook paper, adding machine paper, computer paper with green bars, business cards, all envelopes with or without windows, stationary with or without colored ink/letterhead, KSC Bulletin, Spaceport News, fax paper (plain paper or thermal), or other non-coated office newsletters in the mixed office paper recycling containers. KSC Telephone Directories can be placed in mixed office paper recycling containers (cover MUST be removed first). Newspapers must be placed in the Cardboard Recycling containers.

### **Cardboard Boxes**

Small boxes (approximately the size of a small copier paper box) should be broken down and placed next to trash containers located in the halls or janitor's closet. It is the responsibility of each individual employee to remove all large boxes from their work area; these boxes must be broken down and taken to the nearest cardboard recycling container located outside of larger facilities here at KSC. As a reminder, all packing materials inside of the cardboard boxes should be disposed of in the regular trash and not placed in the cardboard recycling container.

### **Cardboard Recycling Bins**

Cardboard recycling bins are located throughout KSC at most larger facilities. Please place the following items in the "Cardboard Only" recycle containers: Cardboard, Newspapers, Magazines, Catalogs, Notepads, Spiral Bound Notebooks, Booklets and Brochures.

### **Toner Cartridges**

Place all printer/copier cartridges in the green bins located in the hallways of larger facilities. Please do not place ANY Lanier Copier toner cartridges in these containers. Leave all Lanier Copier toner cartridges adjacent to the copy machines for pickup by the Lanier Representatives. If you require a pickup for your area or need a new toner cartridge recycle container for your non Lanier toner cartridges, please contact Cartridge Source of America at 267-7726.

### **Other items**

Please contact the Environmental Program Branch at 867-8454 or the Property Disposal Office at 867-7027 for proper disposal of recyclable items such as aluminum, antifreeze, batteries, carpet, copper, fluorescent lamps, glass, lead, lumber, oil filters, plastics, scrap metals, solvents, tires, toner cartridges and yard waste.

### **Disposition of non-recyclable items**

#### **Regular Trash Containers**

Since the following items are not being recycled at KSC, please place them in your regular plastic-lined wastebasket in your office. They are: tissue paper, coated or "slick" paper, and copy or bond paper wrappers. Please remember to recycle your newspapers and magazines in the cardboard recycling containers and not the office paper recycling containers. All other items that are not currently being recycled at KSC should be taken home with you for local curbside recycling or visit the Brevard County Solid Waste website to locate various drop-off points for recycled commodities at: <http://www.brevardcounty.us/swr/recydir.cfm>
